IS THIS COLLEGE RIGHT FOR ME?

- We think 5,000 students is just the right size. We're large enough to offer a wide variety of opportunities, but we're small enough that you won't feel like you are just a number
- 90% of our faculty have the highest degree in their field but more important is their passion for engaging and advising students inside and outside the classroom
- More than half of our classes have 19 or fewer students and less than 5% have 50 students or more! Professors know our students by name and expect them to be engaged each class
- We enjoy a wonderful sense of community here, and our Honor Code is taken very seriously. We have a speaking tradition and you'll find that students and faculty here will hold the door for you and look you in the eye as you walk by

DID YOU KNOW THAT...

- Completing your Associate transfer degree post-high school satisfies all lower-division general education requirements and increases the chance of completing your bachelor's degree?
- Exceeding 3 years or 90 credits at your community college means you may have exhausted your financial aid at that college and have limited your future financial aid at Christopher Newport University?

PROGRAM SUCCESSES & HIGHLIGHTS

Since antiquity, scholars and practitioners have explored and grappled with the power of human communication—as a tool for persuasion, as a means of establishing and building relationships, and as a fundamental way to create meaning. Faculty in the Department of Communication focus on how human beings create and employ messages to accomplish these important purposes. Courses in communication focus on how those messages affect people, how they shape the thinking that individuals and communities do, and how they shape and reinforce the cultures and social structures in which we live. Students majoring in communication learn broadly about the nature and function of messages in relational, public, and mediated contexts. They learn how to understand and insightfully critique the function and power of messages. They also learn how to be more skilled and ethical producers of messages—as professionals and as citizens in a democratic society.

WHAT ARE MY CHANCES FOR GETTING ACCEPTED?

If you apply through general application instead of through the Guaranteed Admission Agreement, you will be considered for admission with all other transfer applicants. Learn more about applying at www.TransferVirginia.org or transfer.cnu.edu
