- **FAFSA - Free Application for Federal Student Aid:** E&H FAFSA Code 003709 at [studentaid.gov](http://studentaid.gov)

### WHAT SHOULD I CONSIDER WHEN SELECTING COURSES?

- Create a schedule for all required courses, pay attention to prerequisites and when courses are offered, complete your first math and English courses in your first year. Starting math early will be very helpful. For help, see Transfer Steps and Resource Center at [www.TransferVirginia.org](http://www.TransferVirginia.org)
- Connect with an advisor at your community college and Emory & Henry within your first year. College Connect available in your account at [www.TransferVirginia.org](http://www.TransferVirginia.org)

### IS THIS DEGREE RIGHT FOR ME?

- [Health Sciences degrees](#) are in demand. Our program can prepare students for professional graduate programs in clinical health care or further education and employment in Population Health, Community Health, Health Policy and more.
- Hands on Interaction in the classroom and labs with classmates and professors.
- This is a primarily in-person program with classes offered during weekdays during the traditional semesters. Summer and winter terms are excellent opportunities for internships and student research.

### WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** Completion of a transfer associate degree meets most of the CORE curriculum graduation requirements. The following must be completed at E&H: half of courses in major, a minimum of 33 credit hours, and CORE 300. Students completing more than 55 credit hours but do not complete the associate's degree, prior to transfer will be exempt from CORE 100, CORE 103, and the Global Citizenship requirement.
- **Dual Enrollment – Completion of Associate Degree in HS:** The completion of an associate degree concurrent with high school results in at least 60 credits of coursework applied towards your degree and may allow you to complete your bachelor's degree in as little as two years. The following must be completed at E&H: half of courses in major, a minimum of 33 credit hours, and CORE 300. High school students must apply to E&H as freshman applicants for orientation and engagement purposes.
- **Credit for Prior Learning:** Emory & Henry awards credit for AP, IB, and CLEP. Please see the credit [equivalency charts](#) or Check my Credits [at TransferVirginia.org](http://at.TransferVirginia.org) to determine the needed scores for course credit. Currently, we do not award academic credit for industry or military training.
- **Catalog Year:** Catalog year is determined by first semester of attendance at E&H. <https://www.emoryhenry.edu/academics/academic-resources/>

### IS THIS COLLEGE RIGHT FOR ME?
