WHAT SHOULD I CONSIDER WHEN SELECTING COURSES?

- Students interested in George Mason are encouraged to focus on completing courses that meet general education requirements. Students are encouraged to use the "Contact an Institution" section of the portal and connect with our staff for questions related to specific course equivalencies and requirements.
- For the BS in Criminology, introductory courses for the major (such as CRIM 100) may be completed prior to transfer to George Mason. A maximum of 18 credits of ADJ-prefix coursework can be applied towards the major. In general, students don't need to choose between the Bachelor of Arts (BA) or Bachelor of Science (BS) while at the community college, and can change their minds during the orientation process after speaking with a CLS advisor. The major coursework is almost identical, with the key difference being whether students want to complete additional general education, namely the foreign language for the BA, or complete the CLS internship program or Area of Specialization for the BS.
- Create a schedule for all required courses, pay attention to prerequisites and when courses are offered, complete your first math and English courses in your first year.
- Connect with an advisor at your community college and George Mason University within your first year via College Connect.
- Students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation requirements.

IS THIS DEGREE RIGHT FOR ME?

- George Mason's criminology, law and society degree is designed for students interested in law enforcement, law, homeland security, and related career fields. As a student in the program, you will be taught by outstanding professors who have years of experience as both researchers and practitioners and you have the option of specializing your coursework based on your academic and career interests.

WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** Students who complete a-transfer associate degree (AS, AA, AA&S, or AFA) from a Virginia Community College will receive a waiver of the Foundation and Exploration (lower division) Mason Core general education categories. To be eligible for the waiver, students must provide the George Mason Office of Admissions with a final, official transcript reflecting the degree conferral date. As a prerequisite for ENGH 302, ENGH 101 is not waived. Students must transfer in or complete ENGH 100 or ENGH 101 at George Mason with a C or higher.
- **Dual Enrollment – Completion of Associate Degree in HS:** Applicants are required to apply as freshmen.
- **Credit for Prior Learning:** Credit by exam may be used to fulfill General Education and/or major requirements. See: <https://www.gmu.edu/admissions-aid/apply-now/how-apply/transfer/transfer-credit-policy>
- **Catalog Year:** Catalog year determined by first term of attendance at George Mason.

IS THIS COLLEGE RIGHT FOR ME?

- Located in Fairfax, Virginia, within the Washington metropolitan area, George Mason enrolls more than 28,000 undergraduate students from all 50 states and more than 130 countries in 78 in-demand majors.
- More than 4,500 new transfer students choose George Mason each year, and the university has been recognized as the most diverse in Virginia by U.S. News & World Report.
- Transfer students are welcome to live among our 7700-student residential community or off campus. The Office of Contemporary Student Services is dedicated to the support of off-campus transfers.

DID YOU KNOW THAT...

- Completing your Associate transfer degree post-high school satisfies all lower division general education requirements and increases the chance of completing your bachelor's degree?
- Exceeding 3 years or 90 credits at your community college means you may have exhausted your financial aid at that college and have limited your future financial aid at George Mason?
