### IS THIS DEGREE RIGHT FOR ME?

- Individuals interested in this program typically enjoy working with groups of elementary-aged children (PK – 6).
- This is a full-time, cohort-style program that requires a student to commit to full-time class load and field observations during the day along with a full year of student teaching in the last year. Working full-time is not an option for students in this program. Students who need more flexible scheduling options should pursue the Bachelor's to Accelerated Master's (BAM) for ELED or consider the BSED in Early Childhood Education (PK-3rd grade).
- A student must pass the state licensure exams prior to completing the student teaching internship.

### WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** Students who complete a VCCS transfer associate degree (AS, AA, AA&S, & AFA) will receive a waiver of the Foundation and Exploration (lower division) Mason Core general education categories. To be eligible for the waiver, the students must provide the George Mason Office of Admissions with a final, official transcript reflecting the degree conferral date. As a prerequisite for ENGH 302, ENGH 101 is not waived. Students must complete ENGH 100 or ENGH 101, or an equivalent, with a C or higher.
- **Dual Enrollment – Completion of Associate Degree in HS:** Applicants are required to apply as freshmen
- **Credit for Prior Learning:** Credit by exam may be used to fulfill General Education and/or major requirements. See: <https://www.gmu.edu/admissions-aid/apply-now/how-apply/transfer/transfer-credit-policy>
- **Catalog Year:** Catalog year determined by first term of attendance at George Mason.
