

COMPARE ACADEMIC PROGRAMS

Determine which 2-year or 4-year programs (majors) you are interested in and identify which associate degree best prepares for that program. Use this worksheet to compare programs.

Program Items	Program/Major Option One	Program/Major Option Two
Program/Major		
Concentration/Specialization		
Number of Credits Required for Program		
Number of transfer credits that can apply to this program		
Learning/Delivery Options for Program		
Minimum GPA Required		
Minimum Grade(s) Required		
Will this program prepare me for my ideal career?		
Are course repeats allowed?		
Is this a selective/competitive program?		
Foundational/Prerequisites Required for Program		

Next Steps: Use this worksheet to compare programs. Then set up a meeting with a counselor or advisor to discuss your responses and make selections.
