## DID YOU KNOW THAT...

- Completing your Associate transfer degree post-high school satisfies all lower division general education requirements and increases the chance of completing your bachelor's degree?
- Exceeding 3 years or 90 credits at your community college means you may have exhausted your financial aid at that college and have limited your future financial aid at Randolph-Macon College?

If you apply through general application instead of through the GAA, you will be considered for admission with all other transfer applicants.

- 60% of transfer applicants are accepted.
- You have college experience, and that matters. We strive to make your transition to RMC as seamless as possible. In fact, we have been cited as a Phi Theta Kappa Honor Roll institution for our commitment to our transfer students.
