### IS THIS DEGREE RIGHT FOR ME?

- The BBA with a major in Economics prepares students for careers in business (particularly financial and insurance services), economic consulting firms, federal/state/local government, and nonprofit organizations.
- Through the Accelerated Master of Business Administration (MBA) program, high performing students may take 3-12 credit hours of graduate coursework that applies to both the BBA and the MBA.

### WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** The completion of the transfer-oriented degree program will satisfy the REAL Curriculum (lower division/general education) requirements. Students will need to complete all other University, college, and departmental requirements in order to obtain the baccalaureate degree from RU.
