WHAT SHOULD I CONSIDER WHEN SELECTING COURSES?

- Create a schedule for all required courses. Pay attention to prerequisites and when courses are offered. Complete your first math and English courses in your first year. For help, view the Transfer Steps and Resource Center at www.TransferVirginia.org
- Connect with an advisor at your community college and Radford University within your first year. Set up an account at www.TransferVirginia.org

IS THIS DEGREE RIGHT FOR ME?

- You are planning on completing a degree which will include skills to solve problems in physical science and engineering, computing, business, economics, medicine, and the social sciences
- This program allows you to finish your bachelor degree coursework in as little as two years or provides the flexibility to go at a slower pace

WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** The completion of the transfer-oriented degree program will satisfy the REAL Curriculum (lower division/general education) requirements. Students will need to complete all other University, college, and departmental requirements in order to obtain the baccalaureate degree from RU
- **Dual Enrollment – Completion of Associate Degree in HS:** Students completing the associate degree in high school should apply using the freshman application. If admitted, the student will receive the benefits associated with the transferable associate degree (as noted prior)
- **Credit for Prior Learning:** AP, IB, and CLEP will be evaluated for credits (based on receipt and evaluation of scores). See <https://catalog.radford.edu/content.php?catoid=57&navoid=2777>
- **Catalog Year:** Students will be subject to the catalog in effect at the time of enrollment at RU unless otherwise requested
