IS THIS DEGREE RIGHT FOR ME?

- Play a critical role in saving lives and improving the quality of life for patients with chronic respiratory conditions, acute illnesses, or injuries. The direct impact on patient health and recovery makes the work rewarding.
- Work with advanced medical equipment like ventilators, oxygen therapy devices, and diagnostic tools. Staying updated with evolving technologies and therapies is both intellectually stimulating and professionally fulfilling.
- Respiratory therapists are needed in various settings, including hospitals, emergency rooms, intensive care units, rehabilitation centers, and even home care. This variety allows professionals to choose their preferred work environment
- The medical field is always advancing, and respiratory therapy is no different. New treatments, therapies, and research create continuous learning opportunities, ensuring professionals can grow and specialize in various areas.
- Respiratory therapy is a growing field with increasing demand due to an aging population and the rise of respiratory diseases. This provides job stability and a wide range of opportunities for advancement in the profession.

WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** The completion of the transfer-oriented degree program will satisfy the REAL Curriculum (lower division/general education) requirements. Students will need to complete all other University, college, and departmental requirements in order to obtain the baccalaureate degree from RU.
- **Dual Enrollment – Completion of Associate Degree in HS:** Students completing the associate degree in high school should apply using the freshman application. If admitted, the student will receive the benefits associated with the transferable associate degree (as noted prior).
- **Credit for Prior Learning:** AP, IB, and CLEP will be evaluated for transfer credits (based on receipt and evaluation of scores). See <https://catalog.radford.edu/index.php>
- **Catalog Year:** Students will be subject to the catalog in effect at the time of enrollment at RU unless otherwise requested.

IS THIS COLLEGE RIGHT FOR ME?

- Main campus is located in the city of Radford and our Radford University Carilion campus is located in Roanoke. RU is well-known for strong faculty/student bonds, vibrant student life and a commitment to student support.
- Situated in the stunning landscape of southwest Virginia, there are plenty of nearby opportunities to explore the outdoors.
- With 70+ bachelor's degree programs across a variety of disciplines, the classes at Radford are hands-on and designed to help you prepare for your chosen career path.
- Transfer students have the option to live on-campus or off-campus within the local area.
- Over 80% of students receive some form of financial aid.
- 16 Division I teams and 300+ student organizations. Learn more about our college at www.TransferVirginia.org

DID YOU KNOW THAT...

- Completing your Associate transfer degree post-high school satisfies all lower division general education requirements and increases the chance of completing your bachelor's degree?
- Exceeding 3 years or 90 credits at your community college means you may have exhausted your financial aid at that college and have limited your future financial aid at Radford University.
