WHAT SHOULD I CONSIDER WHEN SELECTING COURSES?

- Create a schedule for all required courses, pay attention to prerequisites and when courses are offered, and complete your first math and English courses in your first year. For help, see Transfer Steps and Resource Center www.TransferVirginia.org

- Connect with an advisor at your community college and Regent University within your first year. College Connect available in your account of www.TransferVirginia.org

WHICH MAJORS WILL BE AVAILABLE TO ME THROUGH THIS GAA?

- Transfer-oriented associate degrees include the Associate of Arts (AA), Associate of Science (AS), and Associate of Arts and Sciences (AA&S) degrees identified by the State Council of Higher Education for Virginia (SCHEV) as university-parallel transfer degrees.
- Other degrees, such as Associate of Applied Science Degrees, are not eligible for the benefits of a Guaranteed Admission Agreement. However, Regent University transfers up to 90 credits toward a bachelor's degree. Credit will be reviewed individually and transfer credit assigned accordingly.

WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- Credit for Prior Learning: regent.edu/pla
- The Regent University catalog and degree requirements for students will be the catalog effective at the time of with Regent. Find catalogs at regent.edu/catalog.

DID YOU KNOW THAT...

- Completing your Associate transfer degree post-high school satisfies all lower division general education requirements and increases the chance of completing your bachelor's degree?
- Exceeding 3 years or 90 credits at your community college means you may have exhausted your financial aid at that college and have limited your future financial aid at Regent University?

HOW DO I APPLY?

- Apply at regent.edu/apply.
