TRANSFER GUIDANCE

Guaranteed Admission Agreement. Students with a minimum 2.5 GPA in transferable courses from a Virginia Community College are guaranteed admission to Roanoke College and to all major programs at the college, including Education Majors. Students must be in good standing with their prior institution for both academics and conduct.

Students with GPAs 2.2-2.5 are encouraged to apply. We always review individual cases.

Students are encouraged to consider transfer prior to completion of all requirements shown as “Complete at Community College.” Those courses can be added to those to be completed at Roanoke College if desired. Earlier transfer allows access to additional opportunities such as study away and experiential learning opportunities earlier in a student’s time at Roanoke.

WHAT SHOULD I CONSIDER WHEN SELECTING COURSES?

- Take a balance of general education and education courses at community college.
- Take world language at community college if you are not already proficient. Roanoke College’s foreign language requirement is through the 201 level. If you are starting a new language, that will require 3 semesters. Placement based upon high school study will reduce this. The requirement is waived for native speakers of languages other than English. ASL is not accepted.
- Create a schedule for all required courses, pay attention to prerequisites and when courses are offered, complete your first math and English courses in your first year
- Connect with an advisor at your community college and Roanoke College within your first year. College Connect available in your account of www.TransferVirginia.org

Contact us for an individual evaluation of how credits will apply
- **Credit for Prior Learning:** No. All prior work must be on a transcript from an accredited institution or from AP or IB results sent to Roanoke College.

IS THIS COLLEGE RIGHT FOR ME?
