## TRANSFER GUIDANCE

### VCCS and Shenandoah University Guaranteed Admissions Agreement

By meeting the following criteria, you are guaranteed admission to SU undergraduate programs (*acceptance to Shenandoah Conservatory and School of Nursing is competitive; additional application requirements will be necessary*)

- Completion of Applicable Associates Degrees: AA, AS, AA&S
- Meet minimum GPA requirement: 2.5 or higher
- Earn grades of "C-" or higher in all community college courses
- Applicants will need to submit an official transcript showing they have met the above requirements to the SU Office of Admissions

### IMPORTANT LINKS & DATES:

- **Transfer Admissions & Services** <https://www.su.edu/admissions/transfer-students/>
- Shenandoah University practices Early Action and then rolling admissions for most undergraduate programs
- **Register Intent to Transfer:** through College Connect at [www.TransferVirginia.org](http://www.TransferVirginia.org)
- **Admission Application:** <https://www.su.edu/admissions/transfer-students/application-information/>
- **Financial Aid:** <https://www.su.edu/financial-aid/>
- **FAFSA - Free Application for Federal Student Aid:** <https://studentaid.gov/h/apply-for-aid/fafsa>

### WHAT SHOULD I CONSIDER WHEN SELECTING COURSES?

- Create a schedule for all required courses, pay attention to prerequisites and when courses are offered, complete your first math and English courses in your first year. For help, see Transfer Steps and Resource Center at [www.TransferVirginia.org](http://www.TransferVirginia.org)
- Connect with an advisor at your community college and Shenandoah University. College Connect available in your account at [www.TransferVirginia.org](http://www.TransferVirginia.org)
- Your first semester courses at Shenandoah University will be chosen with the help of the [Office of Academic Advising, Transitions, and Progression](#)

### IS THIS DEGREE RIGHT FOR ME?

- Bachelor of Arts in Biology is a good option for students who want to explore a range of topics within the field of Biology, and explore courses outside the major.
- The Bachelor of Arts in Biology degree is a good choice for Secondary education majors wishing to pursue a second major in biology

### WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** Completion of AA, AS, or AA&S degree waives the ShenEd requirement
- **Dual Enrollment** – All Dual Enrollment coursework at the 100 level or higher will be considered for credit. The completion of an Associate Degree concurrent with high school results in course work towards your degree and all general education courses satisfied.

- **Credit for Prior Learning:** You can earn credit for your results on AP, IB, and CLEP exams
- **Catalog Year:** Catalog year determined by first semester of attendance at SU
- **Joint Service Transcripts:** Shenandoah is a military friendly institution. SU awards credit based on ACE recommendations for students with a military background. Military personnel must provide their official transcript from their particular branch of the service by using the Joint Services Transcript request system to earn credit

#### IS THIS COLLEGE RIGHT FOR ME?

- **Family Atmosphere:** Students often mention the close-knit community that makes SU feel like a second home.
- **Hands-On Learning:** Engage in collaborative projects, capstone projects, and internships that provide real-world experience
- **Extracurricular Activities:** With 22 athletics teams and over 90 clubs, you'll find an active social life and make lasting friendships
- **Professional Readiness:** SU's curriculum is designed to prepare you for the professional world, with a focus on entrepreneurship, leadership, and innovation.
