### IS THIS DEGREE RIGHT FOR ME?

- If you're interested in the intricate dynamics between economic principles and financial systems, the financial economics program at Lynchburg offers a rigorous exploration of this field. The curriculum covers financial markets, investment analysis, and quantitative methods, providing a solid foundation in economics and finance.
- Throughout your studies, you'll delve into capital budgeting, risk management, financial modeling, and econometric analysis. You'll also have the opportunity to gain a deeper understanding of real-world financial scenarios through experiential learning experiences such as internships, research projects, and case studies. This will prepare you for the dynamic demands of the financial industry.

### WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** Fulfills the majority of DELL General Education courses. DELL 400W: Senior-Year Seminar is still required.
- **Dual Enrollment – Completion of Associate Degree in HS:** Lynchburg does not differentiate between an Associate degree earned through a Dual Enrollment program and one earned in attendance at a VCCS institution
- **Credit for Prior Learning:** AP, IB, CLEP, and DANTES are evaluated for credit
- **Catalog Year:** Catalog year is determined by the first semester attended at the University of Lynchburg

### IS THIS COLLEGE RIGHT FOR ME?

- University of Lynchburg (known as Lynchburg College until 2018) is a small, private university in Lynchburg, Virginia offering more than 100 academic programs including master's and doctoral level degrees.
- Lynchburg is a welcome and inclusive community open to all students seeking to be an active part of engaged learning, developing mentoring relationships with faculty, participating in student life and community service on and off campus in an effort to be responsible citizens now and in the future.
- Scholarships and financial aid are awarded to all students and is often equal to the cost of attending a public university.
- Recognized as one of forty colleges that change lives in the book "Colleges That Change Lives" which has brought national recognition to UL, we are also recognized in US News & World Report and Princeton Review.
