### IS THIS DEGREE RIGHT FOR ME?

- The UMW major in Criminal Justice is only open to students earning a Bachelor of Liberal Studies (BLS) degree. The major includes core courses in Administration of Justice (ADJ), Psychology (PSYC), and Sociology (SOGC) and also features a capstone internship experience to provide hands-on training.
- The Criminal Justice major requires 45 credits overall. The major includes 15 transfer credits in Administration of Justice (ADJ) from the Virginia Community College System. These credits can be completed at any time pre- or post-matriculation.
- Students in this special major must earn a minimum of 30 credits at UMW to complete all requirements and a total of 120 overall credits to earn a BLS degree.

### WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** Transfer students with a VCCS Associate degree have completed many of the UMW general education requirements. UMW does not allow students to satisfy the Digital Intensive and Diverse & Global Perspectives general education requirements through transfer coursework.
- **Dual Enrollment – Completion of Associate Degree in HS:** Students participating in dual enrollment programs are considered as freshman applicants and are not eligible for BLS unless other college-level coursework has been completed and eligibility requirements are met. Dual enrollment courses taken at the high school are treated identically with the same course when taken on a college campus; dual enrollment status does not affect the transferability of the course.
- **Credit for Prior Learning:** UMW accepts credit for AP, IB CLEP, Cambridge, and other qualifying credit. Additionally, BLS accepts this credit both pre- and post-matriculation. Equivalencies are provided here: <https://academics.umw.edu/registrar/transfer-information/transferring-credit-ap-ib-or-previous-coursework/>. Virginia Community College System courses which receive guaranteed equivalent credit are provided here: <https://academics.umw.edu/registrar/transfer-information/resources-and-publications/babs-transfer-credit-guide/transferrable-credit/virginia-community-college-system-vccs/>
- **Catalog Year:** Students must complete general education requirements associated with the academic year in which they enroll at UMW. Students complete major requirements associated with the academic year in which they declare their major.
