WHAT SHOULD I CONSIDER WHEN SELECTING COURSES?

- Create a schedule for all required courses, pay attention to prerequisites and when courses are offered, complete your first math and English courses in your first year. For help, see Transfer Steps and Resource Center at www.TransferVirginia.org
- UMW requires proficiency in a second language as part of the general education requirements. This can be satisfied in a number of ways including completing four years of language in high school, transferring credits from a community college, or completing a sequence of language courses through the 201 level at UMW. All of the options for satisfying this requirement are found in the UMW Catalog: <https://catalog.umw.edu/undergraduate/general-education/general-education-course-list/>
- Keep in mind that half of your major credits must be earned at UMW and you need at least 60 (of 120) credits outside of THEA to complete your degree.
- Connect with an advisor at your community college and the University of Mary Washington within your first year. College Connect available in your account at www.TransferVirginia.org

IS THIS DEGREE RIGHT FOR ME?

- The UMW theatre degree is based in practice—learning theatre, developing skills, and putting them to practice in the making of theatre.
- Students pursue a capstone course in the specialty of their choosing in order to focus their education in a path that strengthens their vocational preparation.
- While many of our graduates pursue professional careers in theatre, others use their experience in collaboration, planning, and leadership as a foundation for careers in education, business, development, and a variety of other industries.
- Theatre is an art comprised of many specialties. The major provides opportunities to explore performance, directing, stage management, scenic and costume technology, audio production, design, arts administration, playwriting, fashion history, dramatic literature, and stage combat, among others, each of which has a potential career path.

WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** Transfer students with a VCCS transferable associate degree have completed the UMW general education requirements except second language competency, digital intensive, diverse and global perspectives, after Mary Washington, and beyond the classroom general education requirements. Several of these requirements are integrated into the theatre major. UMW does allow students to satisfy these requirements through qualifying transfer coursework.
- **Dual Enrollment- Completion of Associate Degree in HS:** Students participating in dual enrollment programs are considered as freshman applicants. Dual enrollment courses taken at the high school are treated identically with the same course when taken on a college campus; dual enrollment status does not affect the transferability of the course.
- **Credit for Prior Learning:** UMW accepts credit for AP, IB, CLEP, Cambridge, and other qualifying previous coursework. Equivalencies are provided here: <https://academics.umw.edu/registrar/transfer-information/resources-and-publications/babs-transfer-credit-guide/transferrable-credit/virginia-community-college-system-vccs/>
- Community College System courses which receive guaranteed equivalent credit are provided here: <https://academics.umw.edu/registrar/transfer-information/resources-and-publications/babs-transfer-credit-guide/transferrable-credit/virginia-community-college-system-vccs/>
- UMW accepts credit for AP, IB, CLEP, Cambridge, and other qualifying previous coursework. Equivalencies are provided here: <https://academics.umw.edu/registrar/transfer-information/transferring-credit-ap-ib-or-previous-coursework/>
- **Catalog Year:** Students must complete general education requirements associated with the academic year that they enroll at UMW. Students complete major requirements associated with the academic year in which they declare their major.
