ENWR 1506	3	ENG 112 College Comp II	Mandatory Prerequisite	
Discipline	3	Any UCGS Art, Humanities, or Literature	These two courses must come from two different disciplines.	<p>McIntire's Bachelor of Science in Commerce program is a three-year undergraduate program where students blend the liberal arts with a dynamic business education. Because of the curriculum requirements in both business coursework and the liberal arts Disciplines, all students who enter the McIntire program must spend three years of study at McIntire to finish the degree.</p> <p>Because of this timeline, students are welcome to apply to transfer into McIntire during their first year at the VCCS - or welcome to apply in their second year while finishing their Associate degree.</p> <p>The Bachelor's in Commerce only requires four specific prerequisites: ENG 111, ENG 112, ECON 202, and BUS 100.</p> <p>What else should I take? While working on your Associate degree's requirements, in addition to the required McIntire prerequisite courses, students are encouraged to work towards UVA's Disciplines General Education requirements. These are graduation requirements for all McIntire students that can be fulfilled by transferable liberal arts coursework in the VCCS. Transferable disciplines are noted on this guide and can also be found on UVA's transfer credit analyzer.</p> <p>More details on the McIntire curriculum can be found here.</p>

COMM 2010	3	ACC 211 Accounting I		<p>McIntire’s three-year curriculum aligns with UVA’s College of Arts and Sciences’ general education requirements. Students can anticipate taking business coursework as well as liberal arts general education courses across all three years of study.</p> <p>As part of the McIntire program, all students major in Commerce but select a concentration (or two) from the following:</p> <p>Accounting, Finance, Information Technology, Management, Marketing.</p> <p>Additionally, students can add an optional “track” (or two) to their degree. Available tracks are:</p> <p>Business Analytics, Entrepreneurship, Global Commerce, Quantitative Finance, Real Estate, Strategic Brand Consulting & Communications.</p> <p>All students join the McIntire program as second-year students and can anticipate taking 15 total credits of required Commerce coursework across their fall and spring semesters, 9 credits of general education Discipline requirements, and 6 credits of elective coursework.</p> <p>Fulfilling these Disciplines General Education requirements in advance via VCCS coursework is very possible, but does not elicit the opportunity for students to complete the McIntire program in fewer than six semesters. Rather, students would have more opportunity to explore electives across the University, or pursue additional tracks, concentrations, or courses across the McIntire School.</p> <p>As third and fourth year students at McIntire, students will utilize usually 6 remaining credits towards the Disciplines, while focusing the majority of their coursework on McIntire classes towards their desired concentrations or tracks.</p>

WHAT SHOULD I CONSIDER WHEN SELECTING COURSES?

- Create a schedule for all required courses, pay attention to prerequisites and when courses are offered, see Transfer Steps and Resource Center at www.TransferVirginia.org.
- Connect with an advisor at your community college and UVA's Office of Admission (undergradadmission@virginia.edu) within your first year.

IS THIS DEGREE RIGHT FOR ME?

- The Bachelor of Science in Commerce at the McIntire School includes a liberal arts foundation combined with the development of business fundamentals and how business can be used to address social challenges.
- McIntire students utilize robust individual academic advising to navigate the many academic offerings of the school as well as the extensive resources of McIntire's in-house [Career Services office](#).

- McIntire offers a number of diverse [study abroad opportunities](#), where students can pursue credits towards their McIntire degree across the globe during semesters abroad, January term excursions, or spring break trips.

WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** The completion of the Business Administration Associates results in the fulfillment of all of UVA McIntire's general education curriculum requirements.
- **Dual Enrollment – Completion of Associate Degree in HS:** The completion of an associate degree concurrent with high school results in 60 credits of coursework towards your degree and most general education courses satisfied. Students apply as and enroll as first year students at UVA for orientation and engagement purposes. Students who complete an associate degree concurrent with high school are not eligible for transfer admission and are not eligible for admission via a GAA.
- **Credit for Prior Learning:** Consult the Undergraduate Record for Advanced Examination test score (i.e. AP, IB, Military Experience) needed to earn course credit: http://records.ureg.virginia.edu/content.php?catoid=52&navoid=4102#adva_exam.
- **Catalog Year:** UVA McIntire honors the general education catalog in effect at the time of the student's first post-high school enrollment into a VCCS associate degree. Major requirements will be determined based on the catalog in effect at the time of the student's matriculation to UVA.
