## IS THIS DEGREE RIGHT FOR ME?

The B.S in Business with a concentration in management/international management provides a firm grounding on all aspects of business coupled with concentrated study on international topics including international management, international marketing, and international financial management. This concentration extends your knowledge of business to the global arena. You will be prepared to take entry level positions such as account managers, business analyst or management trainees in international divisions of U.S. companies, and for careers in government agencies involved with international trade, and in nonprofit organizations.

## WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** The completion of a transfer associate degree results in all lower-division general education requirements being met when you transfer to VCU.
- **Dual Enrollment – Completion of Associate Degree in HS:** The completion of an associate degree concurrent with high school results in 60 credits of coursework applied towards your degree and VCU's general education courses will be satisfied. High school students must apply to VCU as freshman applicants for orientation and engagement purposes.
- **Credit for Prior Learning:** VCU accepts AP, IB, Cambridge, CLEP, DANTES, and military credits.
- **Catalog Year:** VCU will honor the degree requirements of the VCU Undergraduate Bulletin in effect at the time of the student's first post-high school enrollment into an appropriate associate degree at the two-year institution. Students must stay enrolled at their community college and take no more than four years to complete their associate degree. Students must also enroll at VCU within one year of completing their associate degree.
