WHAT SHOULD I CONSIDER WHEN SELECTING COURSES?

- Complete your English courses and any math prerequisites in your first year.
- Create a schedule for all required courses, pay attention to prerequisites and when courses are offered. For help, see Transfer Steps and Resource Center at www.TransferVirginia.org.
- Connect with an advisor at your community college and the VCU Transfer Center within your first semester through your account at www.TransferVirginia.org.

IS THIS DEGREE RIGHT FOR ME?

The B.S. in information systems provides students with expertise in fundamental and specialized areas of information systems. These areas include data analytics, systems analysis and design, project management, computer programming, cyber ethics, networking and web development. There are diverse career opportunities in the field, including: business systems analyst, data analyst, application and systems developer, and IT project manager. Employers range from multinational companies such as Amazon, to small and medium-sized organizations employing fewer than five people. From public sector employers, such as government agencies and institutions of higher education to private sector organizations, such as consulting firms and telecommunications companies, IS students have a plethora of employment options.

WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** The completion of a transfer associate degree results in all lower-division general education requirements being met when you transfer to VCU.
- **Dual Enrollment – Completion of Associate Degree in HS:** The completion of an associate degree concurrent with high school results in 60 credits of coursework applied towards your degree and VCU's general education courses will be satisfied. High school students must apply to VCU as freshman applicants for orientation and engagement purposes.
- **Credit for Prior Learning:** VCU accepts AP, IB, Cambridge, CLEP, DANTES, and military credits.
- **Catalog Year:** VCU will honor the degree requirements of the VCU Undergraduate Bulletin in effect at the time of the student's first post-high school enrollment into an appropriate associate degree at the two-year institution. Students must stay enrolled at their community college and take no more than four years to complete their associate degree. Students must also enroll at VCU within one year of completing their associate degree.

IS THIS COLLEGE RIGHT FOR ME?

- Located in downtown Richmond, within two hours of the beach, the mountains and Washington DC, VCU provides top-ranked academic programs, research opportunities and an urban setting so students can live and learn in the real world.
- VCU is a large, public research institution dedicated to the success and well-being of students and the Richmond community.
- Diversity, inclusion and equity are deeply ingrained core values at VCU. If you are looking to connect with a broad range of people, come join us!

DID YOU KNOW THAT...

- Completing your associate transfer degree satisfies all lower division general education requirements and increases the likelihood you will complete your bachelor's degree?
- Exceeding 3 years or 90 credits at your community college could exhaust your financial aid there and reduce your future financial aid at VCU?

PROGRAM SUCCESSES & HIGHLIGHTS

The VCU Information Systems department is one of only a few departments in the country to be accredited by both the Association to Advance Collegiate Schools of Business (AACSB) and the

Accreditation Board for Engineering and Technology (ABET). Through student organizations such as the Information Systems Organization, students can network with peers and take advantage of the Department's close ties to the business community. The department also has its own servers, running Apache Hadoop (R) and Cloudera.

WHAT ARE MY CHANCES FOR GETTING ACCEPTED?

- If you apply through general application instead of through the Guaranteed Program Admission Agreement, you will be considered for admission with all other transfer applicants.

Learn more about applying at www.TransferVirginia.org.

DO MORE WITH YOUR DEGREE!

The accelerated B.S. and M.S. program allows qualified students to earn both the B.S. and M.S. in Information Systems in a minimum of five years by completing approved graduate courses during the senior year of their undergraduate program.

OTHER THAN CLASSES, ARE THERE OTHER PROGRAM REQUIREMENTS?

- All students must complete at least one VCU "REAL" experiential learning activity in order to graduate from VCU. Examples of REAL activities include: internships, research, and service learning. This requirement may be satisfied by completing a 300-level (or higher) REAL course or through an approved REAL co-curricular experience.
