IS THIS DEGREE RIGHT FOR ME?

- The Robertson School of Media and Culture prepares effective and skilled communicators through quality instruction, advising and student services, based on real-world applications. Through research, professional service and scholarship in applied communications, the school advances the knowledge and practice of a multidisciplinary and evolving media environment. The school values truth, ethics, creativity, innovation, collaboration, cultural diversity, shared governance and community engagement.
- The concentration in advertising prepares students for careers at advertising agencies, marketing departments of corporations or service organizations and media companies. Creative advertising students are good with Adobe, ideas and creative writing. Strategy advertising students are good with data, execution, research, and people.

WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** The completion of a transfer associate degree results in all lower-division general education requirements being met when you transfer to VCU.
- **Dual Enrollment – Completion of Associate Degree in HS:** The completion of an associate degree concurrent with high school results in 60 credits of coursework applied towards your degree and VCU's general education courses will be satisfied. High school students must apply to VCU as freshman applicants for orientation and engagement purposes.
- **Credit for Prior Learning:** VCU accepts AP, IB, Cambridge, CLEP, DANTES, and military credits.
- **Catalog Year:** VCU will honor the degree requirements of the VCU Undergraduate Bulletin in effect at the time of the student's first post-high school enrollment into an appropriate associate degree at the two-year institution. PROGRAM SUCCESSES & HIGHLIGHTS

- The Ad Club has a mentoring program within and refers out to the Richmond Ad Club for professional mentoring. Each fall and spring the advertising faculty organize a portfolio review where advertising professionals come to critique student work; sometimes, students are offered jobs from the portfolio review. The portfolio review is also a good experience for underclassmen to see what is in store for them.

WHAT ARE MY CHANCES FOR GETTING ACCEPTED?

- If you apply through general application instead of through the Guaranteed Admission Agreement, you will be considered for admission with all other transfer applicants.

Learn more about applying at www.TransferVirginia.org.

DO MORE WITH YOUR DEGREE!

- The Ad Club provides a lot of great opportunities for students like the Strategic Workshop. CreateAthon is a unique program that allows students volunteering, real-world experiences as well as leadership opportunities. Finally, students work with real clients in their capstone classes.

OTHER THAN CLASSES, ARE THERE OTHER PROGRAM REQUIREMENTS?

- All students must complete at least one VCU "REAL" experiential learning activity in order to graduate from VCU. Examples of REAL activities include: internships, research, and service learning. This requirement may be satisfied by completing a 300-level (or higher) REAL course or through an approved REAL co-curricular experience.
