- Connect with an advisor at your community college and William & Mary within your first year. College Connect is available in your account at www.TransferVirginia.org

WHAT IS THE IMPACT ON MY DEGREE OF WORK I HAVE ALREADY COMPLETED?

- **Associate Transfer Degree Completion:** An Associate Degree results in lower-division general education and proficiency requirements being met except the Foreign Language proficiency.
- **Dual Enrollment – Completion of Associate Degree in HS:** W&M does not guarantee admissions to high school students earning a transferable associate degree through dual enrollment. Applicants who have earned an associate degree while in high school

will apply as freshmen.

- **Credit for Prior Learning:** Credits applied toward the associate degree but not earned at the VCCS institution will be reviewed in accordance with W&M academic policy as outlined in the Undergraduate Catalog. Other types of credit, such as military training, ACE recommendations, and CLEP, will be assessed in accordance with W&M policy at the time of student matriculation.
- **Catalog Year:** Catalog year is determined by your first post high school enrollment at a VCCS school.

DID YOU KNOW THAT...

- Completing your Associate transfer degree post-high school satisfies all lower division general education requirements and increases the chance of completing your bachelor's degree?
- Exceeding 3 years or 90 credits at your community college means you may have exhausted your financial aid at that college and have limited your future financial aid at William & Mary?
