### ARTS PROFICIENCY

This requirement will be satisfied by two credits with an Arts Proficiency attribute in the same creative or performing art. Examples include dance, art, creative writing, and speech. The purpose of this proficiency is to understand the artistic process. Accordingly, by actively involving students in exercises that require artistic choices, these courses aim for an experience-based understanding of how the artist communicates. A course that satisfies this proficiency requires a student to begin to understand an art at the foundation level through artistic activities involving each of the following: developing their artistic skills; and applying the principles of the art through projects and/or exercises.

### WHAT ARE MY CHANCES FOR GETTING ACCEPTED?

- Of students who applied in fall of 2021, 53% were admitted.
  - Any transfer student accepted at W&M may major in Classical Studies. No additional application is necessary.
